About Global Knowledge

Global Knowledge provides IT and business skills learning to both public and private sector companies and organisations across the UK. Its core training is focused on Cisco, Microsoft, VMware and best practice. This includes ITIL[®] Service Management and PRINCE2[®] which is tied into business process improvement, project management, business analysis and leadership development.

Flexible and tailored learning programmes incorporate e-learning, instructor-led, mentored and collaborative learning at training centres, on site and via the internet, enabling customers to choose when, where and how they want to receive training programmes and learning services.

Founded in 1995, Global Knowledge employs more than 1300 people worldwide. Corporate headquarters are located in Cary (USA), Canadian headquarters are in Toronto and EMEA headquarters are in Wokingham.
